ONE STOP SHOPS (OSS) providing home renovation services

## Il futuro dei One-Stop-Shops: come assicurarne la sostenibilità nel lungo periodo

28th of October 2022

This project has received funding from the European Union's "Horizon 2020" research and innovation programme under grant agreement No. 956649

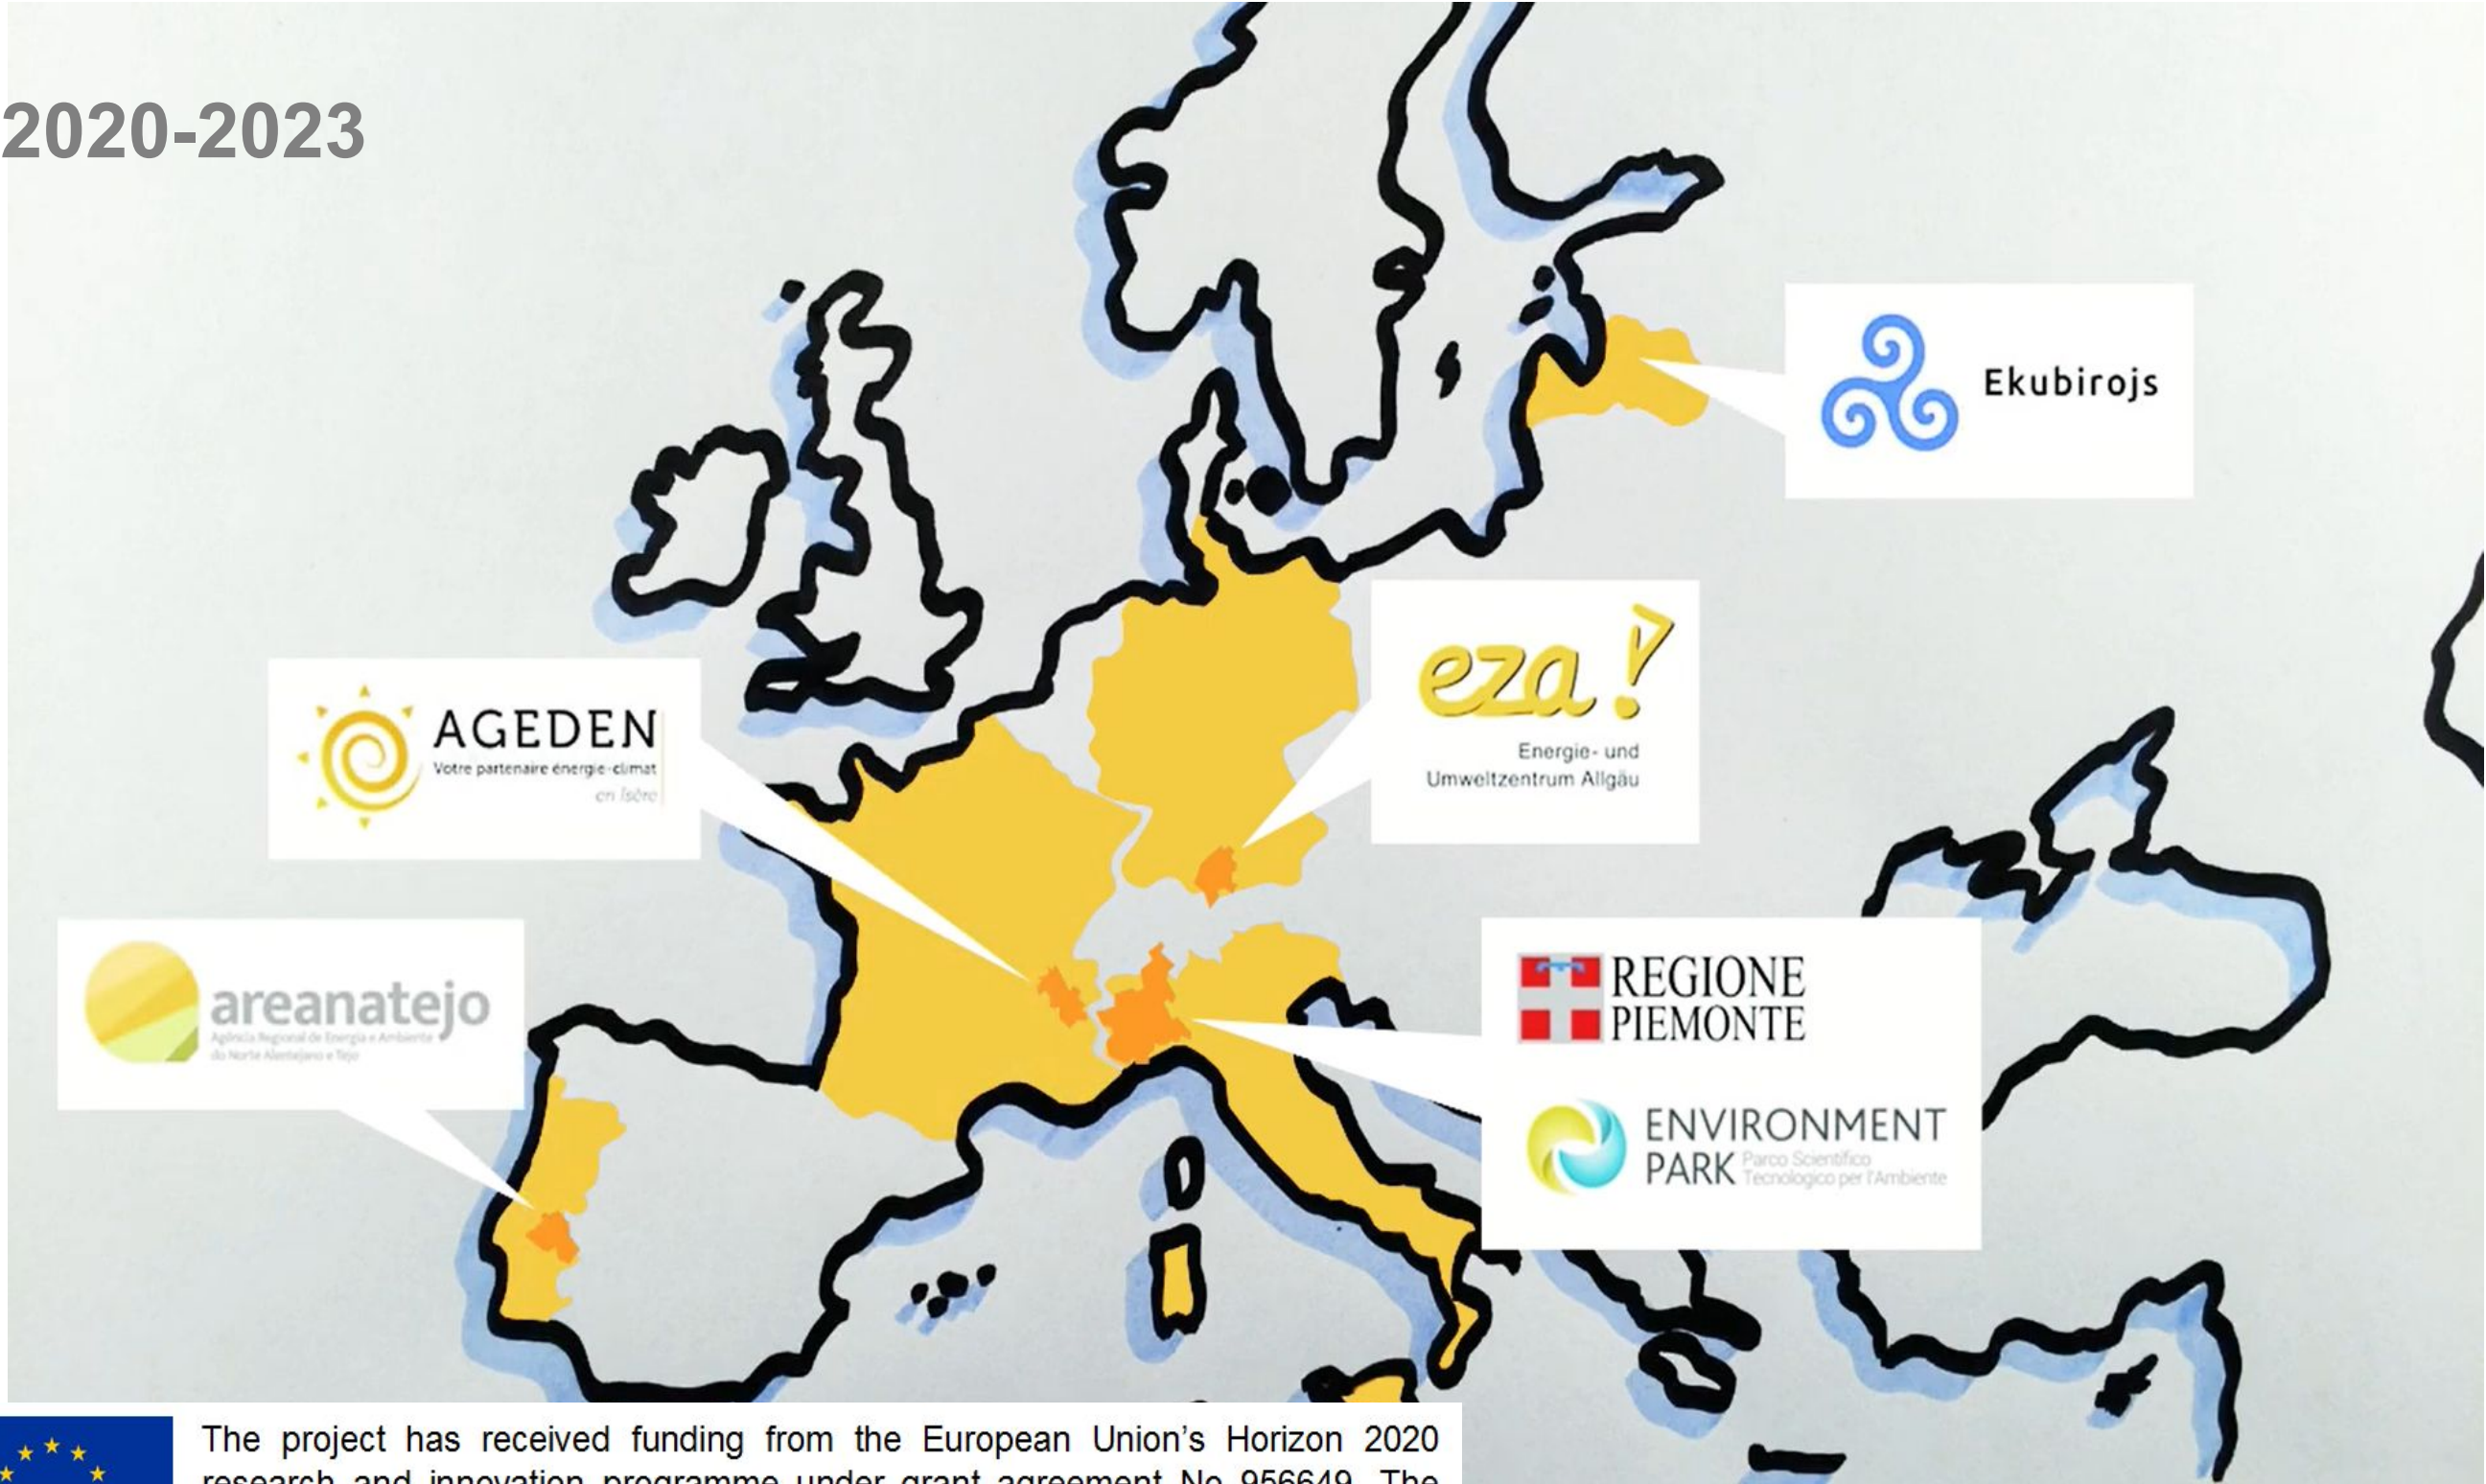

# PROJECT CONSORTIUM

ONE STOP SHOPS (OSS) providing home renovation services

2020-2023

The project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 956649. The publication reflects only the author's view and the European Commission is not responsible for any use that may be made of the information it contains.

# PROJECT MAIN ACHIEVEMENTS SO FAR

ONE STOP SHOPS (OSS) providing home renovation services

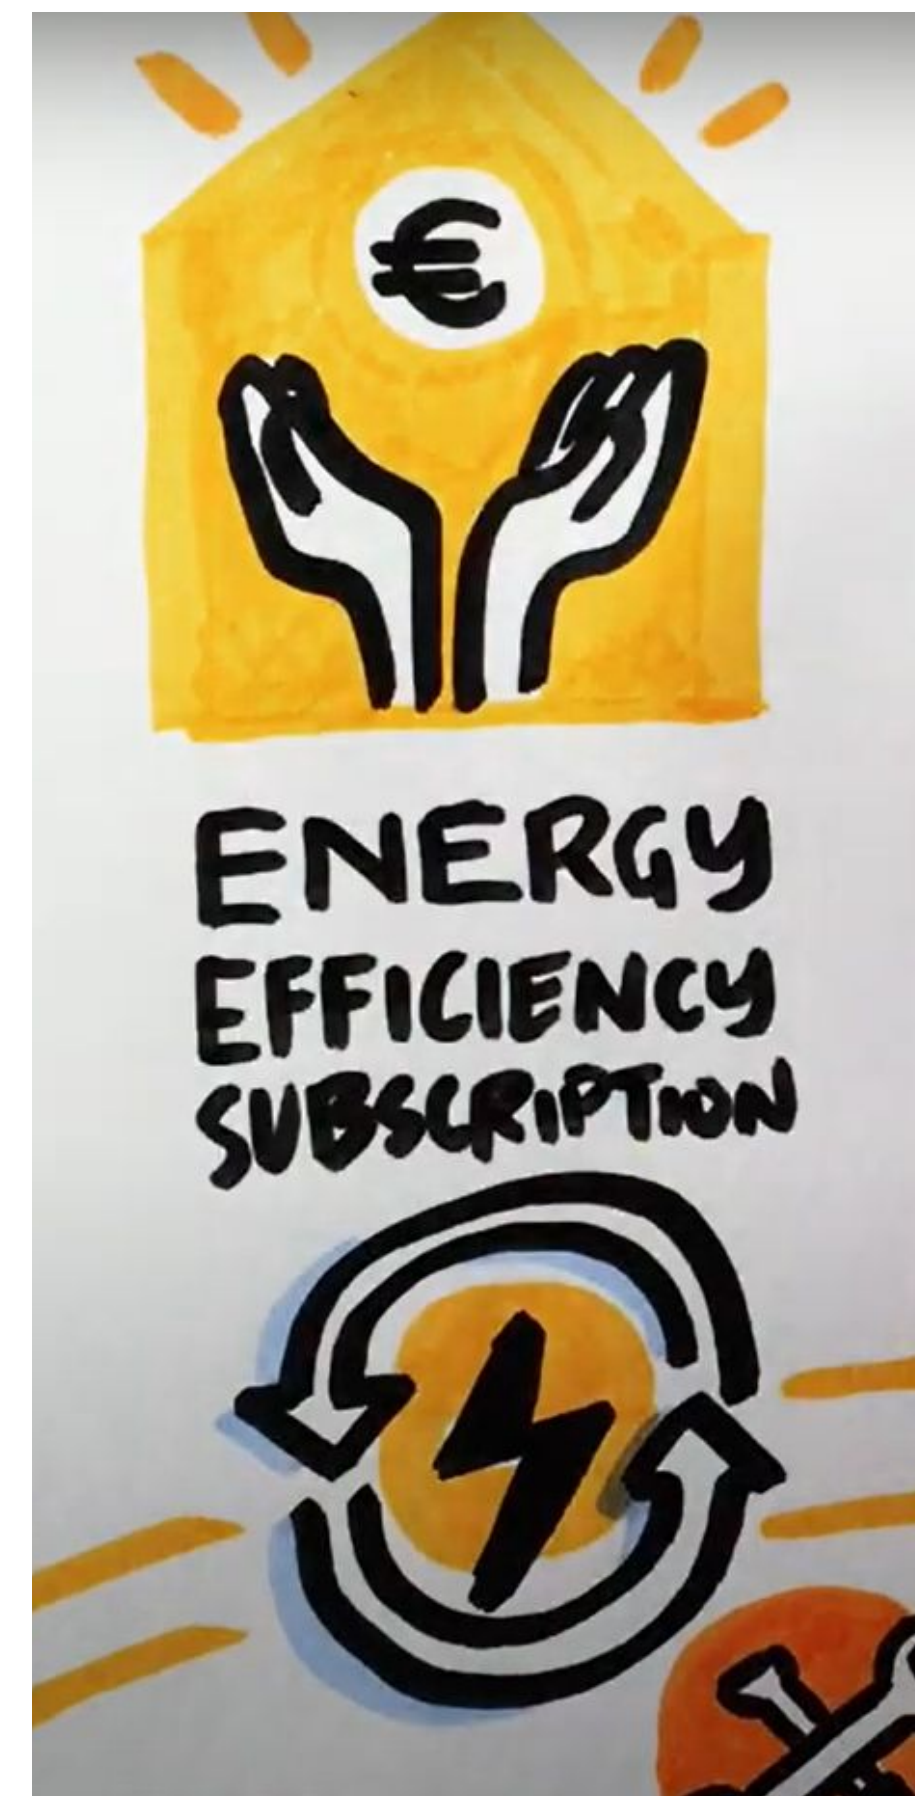

# PROJECT MAIN ACHIEVEMENTS SO FAR

An Energy Efficiency Subscription is a contract between residents/property managers and market operators aimed at ensuring high standards for deep renovation of residential buildings and defined amount of energy efficiency.

# PROJECT MAIN ACHIEVEMENTS SO FAR

ONE STOP SHOPS (OSS) providing home renovation services

- **5 One Stop Shops** launched by December 2021, one in each of the following countries: France, Portugal, Italy, Germany, Latvia
- Home renovation projects in the supporting phase with a different level of interest in the targeted countries

Different approaches according to different conditions:

- Institutional role (public/private)
- territorial dimension (small municipalities/large region)
- level of maturity of the market (over-demanding)
- available financial conditions (available grants/financial packages)
- main target groups (social housing/home owners)

# PROJECT MAIN ACHIEVEMENTS SO FAR

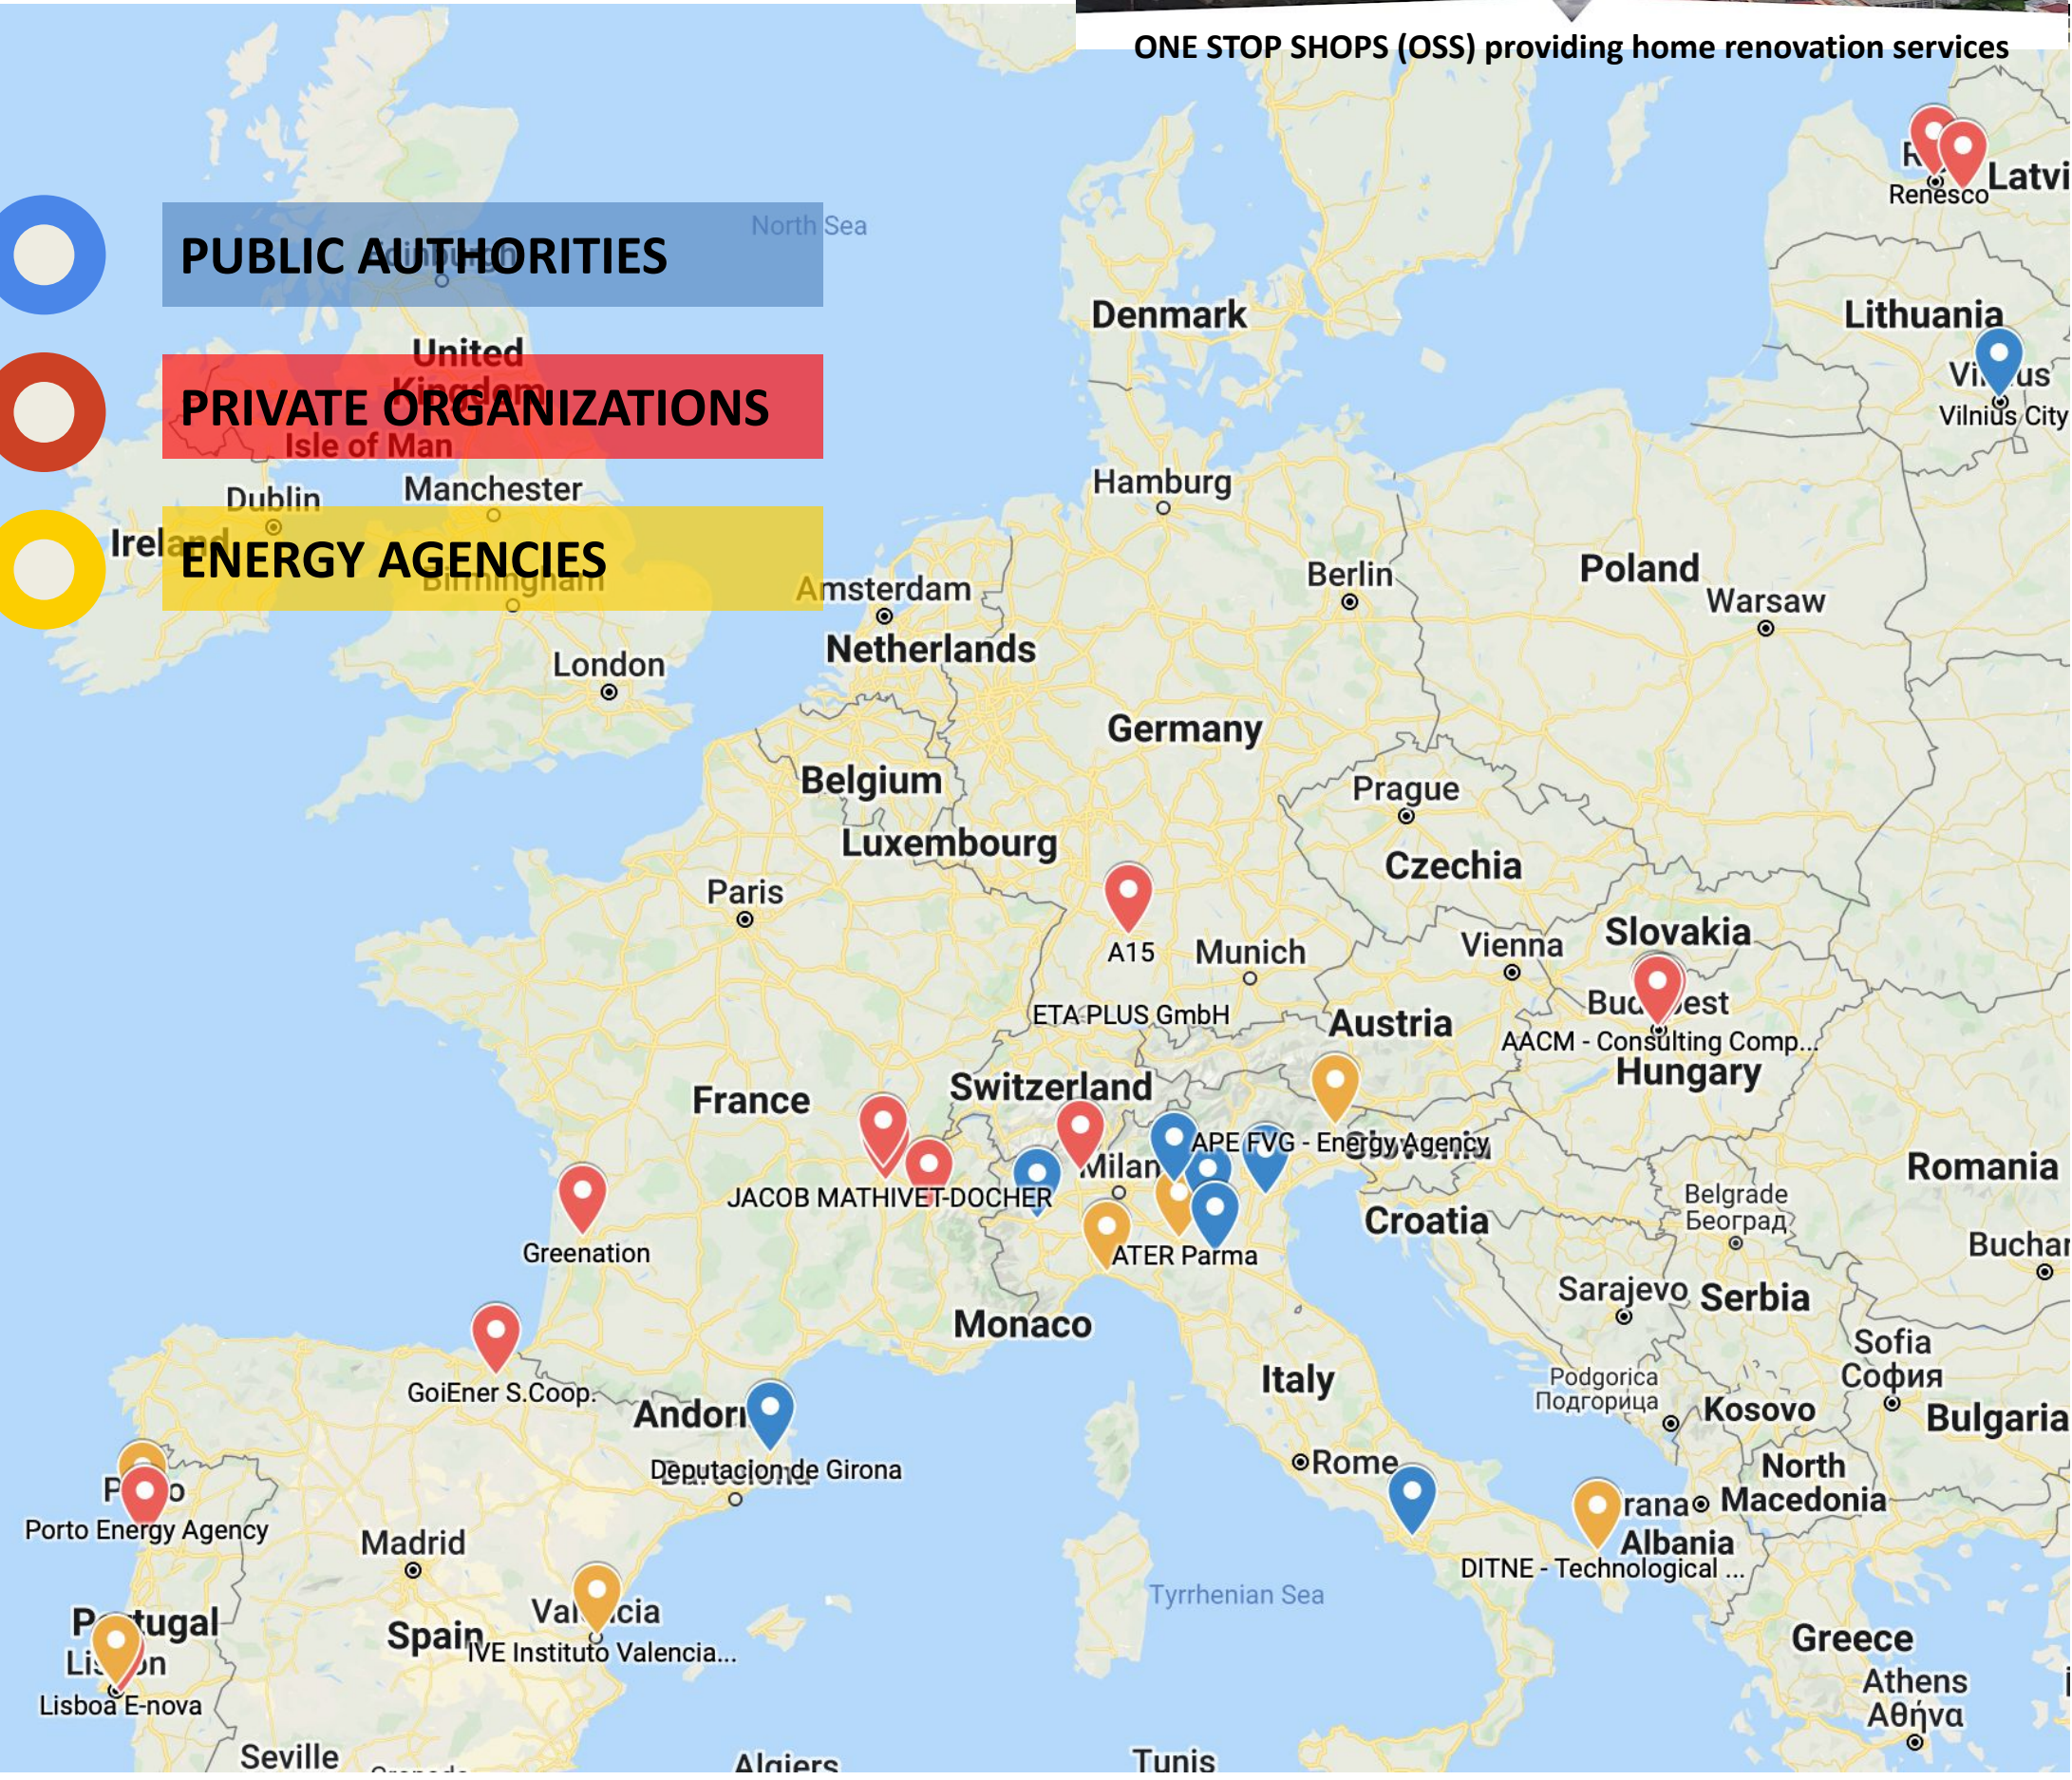

## Replication process

30 mentees from  
Hungary, France, Portugal,  
Spain, Germany, Italy,  
Lithuania, Latvia

# The Piemonte OSS

The OSS works twofold:

- with Social house Companies providing a full technical assistance service (on the basis of a Momerandum of Understanding)
- with homeowners with lighter assistance services via an online platform:
